WHY SOURCING FROM EGYPT

- **Robust Food Safety System**
 - National Food Safety Authority ensures compliance with international health and technical standards.
 - Accredited labs like QCAP support product quality and export certification.
- **Strong Export Performance**
 - Egypt leads Arab and Middle Eastern food exports.
 - In 2024, Egypt exported:
 - **\$6.1 billion** in processed foods to **179 markets** (+21% vs. 2023).
 - **\$4.7 billion** in agricultural exports.
 - **Total food exports: \$10.8 billion.**
- **Strategic Location & Logistics**
 - Direct access to the Suez Canal, Mediterranean, and Red Sea ports ensures smooth global trade.
 - Extensive road and rail network connects farms to ports—ideal for exports to North Africa and the Arabian Gulf.
